Into the Deep: Growing in Intimacy with God

Fr. Jeremiah Myriam Shryock C.F.R.

A WCCM-USA SILENT RETREAT

December 3-8, 2017

Marywood Retreat Center

This retreat is a special occasion in the life of the individual and the community. I think everyone I know who has participated in this more intensive retreat has felt some kind of positive breakthrough and beneficial, ongoing, change in their lives. This retreat will give you a rare opportunity in the modern world for sustained silence and stillness over an extended period, to reflect with the grace of insight on your relationship with Christ.

Each day there are seven sitting meditations, without readings or music introductions, and four mindful walking sessions. A short teaching in the morning and a homily during the daily Eucharist help deepen the silence. Each participant will have short personal conferences with one of the retreat leaders.

Fr. John often quoted St Irenaeus: "If we cannot understand the silence of Christ we cannot understand his words either. "

I hope you can come and share the friendly and joyful silence of the retreat.
